Our second Brussels International Stick Insect Meeting will take place at the Royal Belgian Institute of Natural Sciences in Brussels, organized by the Institute and the Royal Belgian Society of Entomology. It is a unique opportunity to learn more about stick insects through a series of activities: seminars, the exchange of breeding stocks, and to meet other phasmid enthusiasts from many countries. It is open to anyone interested in stick insects: breeders, scientists, amateurs, beginners, families...

Registration fee: 15€, 12€ under 18

REGISTRATION is **obligatory**
